CITY OF ANGLETON PROPOSITION A

Section 8.29 of the City of Angleton Charter currently limits the use of revenues from the city's one-cent sales tax to paying for street improvements only. Shall Section 8.29 of the City of Angleton Charter be repealed so that the revenues from the city's one-cent sales tax can be used to pay for not only street improvements, but also to pay for other city expenditures?

Proposition 2

All purchases made and contracts executed by the Amendment No. 16 City shall be pursuant to a requisition from the head of the office, department or agency whose appropriation will be charged, and no contract or order shall be binding upon the City unless and until the City Administrator certifies that there is to the credit of such office, department or agency a sufficient unencumbered appropriation and allotment balance to pay for the supplies, materials, equipment, or contractual services for which the contract or order is to be issued. Before the City makes any purchase or contract for supplies, materials, equipment, or contractual services, opportunity shall be given for competition. The Council may by ordinance convey upon the City Administrator general authority to contract for expenditures without further approval of the Council for all budgeted items not exceeding Two Thousand Dollars. All contracts for expenditures involving more than Two Thousand Dollars must be expressly approved in advance by the Council. Competitive bids shall be required in connection with contracts and purchases when required by state statutes and such bidding shall be conducted in compliance with the provisions and procedures contained in said statutes. The Council, or the City Administrator in such cases as he is authorized to contract for the City, shall have the right to reject any and all bids. Contracts for personal or professional services shall not be let on competitive bids.

Amendment 15

At any general election or special municipal election, the candidate for each office who has received a majority of all votes cast for his particular office shall be declared elected. A run- off election shall be ordered by the Mayor, or if he fails to do so, by the Council, in the event any candidate fails to receive a majority of all votes cast for his particular office. The election shall be ordered on the first day following the completion of the official count of ballots cast at the first election. The run- off election shall be held not less than 20 days nor more than 30 days after the canvassing of said election. The two candidates who received the largest number of votes cast for each particular office requiring a run- off election shall again be voted for. The candidate receiving the largest number of votes in the run- off election shall be declared elected. The City Secretary shall give notice of such runoff election by causing said notice to be published, no less than twenty (20) days prior to the date of such election, in the official newspaper of the City. This provision shall become effective sixty (60) days from date of approval by the voters of the City of Angleton.
